## Mundulla Drinks Night

ABOUT 20 Naracoorte and Bordertown people attended a social Limestone Coast Agri-links drinks night at the Mundulla Pub on June 18.

It was the second of three drinks nights for the year, designed to help young rural people connect, socialise, network and gather contacts and information.

It followed a successful drinks night in Penola in March this year.

Agri-Links finds these nights a great way to get people from across the Limestone Coast together to Network and Socialise with people they otherwise may not meet.
